Overview

The accommodation is over three floors and in excess of 3000sq ft, so for those who work from home remotely, there is an ample choice of rooms and locations throughout the house, some enjoying the terrific rear views towards Gedling Country Park. Accommodation consists of a spacious entrance hallway, breakfast kitchen leading out to the full-width rear balcony and an adjoining breakfast room with stairs leading down to the lower ground floor utility room, storeroom and toilet. The ground floor also has a lovely large lounge, family bathroom, three bedrooms and a separate dining room/additional bedroom and on the first floor there is a large landing with skylight windows and two further double bedrooms, one with an en-suite shower room. The property was also re-wired in November 2018 and has UPVC double glazing and gas central heating.

Entrance Hall

With UPVC double-glazed front entrance door, two radiators, laminate flooring, decorative coving and stairs to the first floor landing with under-stair cupboard.

Living Room

With polished black marble fireplace and hearth and Beech surround. Decorative coving, five wall light points, two ceiling light points, CAT 6 ethernet point, radiator, UPVC double-glazed side window and double-glazed sliding patio door through to the breakfast room.

Dining Room

En-suite

With fully tiled walls and tiled floor, the suite consists of a large cubicle with an electric shower, traditional-style toilet and extractor fan.

Bedroom 2

Also with a pedestal wash basin, loft access, decorative coving, a mixture of ceiling wall and downlights, CAT 6 ethernet point, eaves access, radiator and UPVC double glazed front window.

Outside

To the front, large wrought iron double gates lead onto a block paved forecourt with a brick arch leading to the front of the property, which also has separate pedestrian access. The driveway leads down to the side of the property and in turn around to a large tarmac rear driveway which has a remote electric up-and-over door leading into the double garage. The garage has light, power and strip lighting. A feature-shaped brick-built staircase leads down from the rear balcony onto the driveway with further feature brick wall and gated-shaped steps leading down to the main garden. The first area has a large stone-flagged patio surrounded by mature beds containing a variety of shrubs. From here, steps lead down to two lawned areas, balustrade enclosed decking and access to a further full-width lawn with a corner paved patio, enclosed with a hedge to the perimeter.
