Location wise is fantastic, being on the very edge of the village with countryside walks literally on your doorstep, a Sainsbury's Local just up the road as well as a choice of local pubs/restaurants. The village itself has a good range of amenities, including reputable primary schools, doctor's surgery, library and Post Office which form part of the village centre shopping precinct. Also, the village hall hosts a regular variety of events and entertainment.

There is a bay-fronted lounge with feature multi-fuel stove, the full-width rear dining/breakfast room offers a lovely setting for family meals or entertaining guests and is open plan to the impressive extended kitchen, with several integrated appliances and vaulted ceiling with Velux windows. From the dining room, a rear door leads out to a private courtyard seating area with access to the main garden, with double doors taking you in to the garden room and bar. This presents a versatile space that could easily transform into a serene home office if needed, catering to your work-from-home needs. There is also an adjoining store room at the back of the bar area providing additional storage.

Parking is a breeze with space for several vehicles including an additional parking recess, ideal for caravan standing. Metal double doors then lead in to a covered store which is open to the rear courtyard.

Upstairs there are three well-proportioned bedrooms, the main bedroom occupying the full width of the house, plus a spacious extended modern bathroom. The loft also has a pull down loft ladder and is partly boarded providing more storage space.
